

ESTELLA®

Now new as branded bedding

You know ESTELLA® from bed linen. Now ESTELLA® makes your bed complete. With duvets and pillows in a range of warmth levels. Exactly as you like it:

- classical: with exquisite fillings of feathers and down
- easy to maintain: with tried and tested micro-fibre components
- modern: a mixture of materials, with fine-threaded cotton covers and innovative Thinsulate branded filling.

Fully coordinated sleeping comfort with the security of the great brand.

The sleeping comfort of Estella® is available in a wide range of varieties.
Ask your retailer, who will be glad to advise you.

ESTELLA®

... brings warmth into life

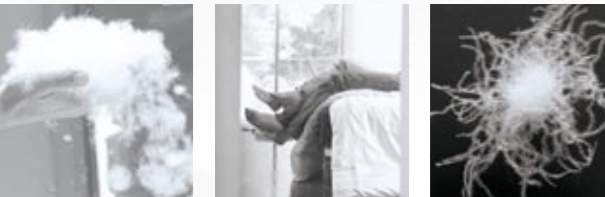

ESTELLA® Exquisite

Classical elegance with down and feathers

Materials which nature gives us: Cover of fine-threaded cotton fabric, exquisite to the touch.

Filling: new white goose down and feathers in accordance with EN 12934 class 1. Especially cosy, washable and so also suitable for those suffering from allergies.

Traditional sleeping pleasure, soft and cosy as down.

Fine, delicate down for unsurpassed sleeping comfort.

ESTELLA® Thinsulate

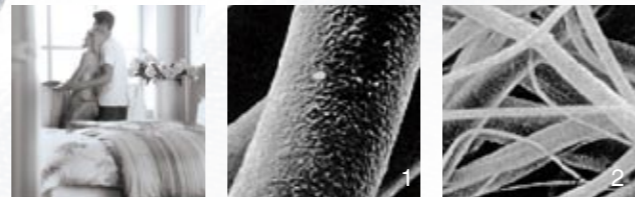

Thinsulate™
INSULATION

Modern sleeping comfort

Modern material mix. Noble cover fabrics of 100% cotton with all the advantages of nature.

Filling: Thinsulate insulation fibres, extremely fine in structure, well padded with good warmth storage through hollow cavity technology, with minimum weight. Well-known and tried and tested in functional sports clothing.

Sleeping pleasure for individualists.

1. Traditional polyester fibres
2. Extremely fine Thinsulate insulation fibres

ESTELLA® Dacron 95

Dacron®
95°
